

# WHAT AM I

Let's Play A Game - Game 7

## DIRECTIONS:

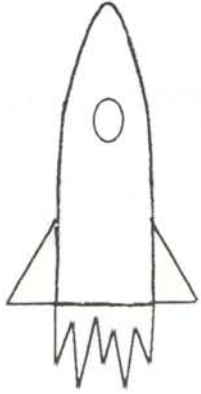

1. Place cards in a stack, picture side down.
2. One player begins by taking the top card and looking at it, being careful not to let any other players see it.
3. He/she then acts out the picture until a player guesses "What Am I!"
4. Sound effects may be used, but no words can be given as clues.
5. The player who guesses right takes the next turn.
