

PLAY IT

FLASH CARD GAME

Use this game with a song your student has learned. It make reviewing fun and increases understanding and skills. This will also work with a group.

To make game: Just print (use 24 lb. paper for studier cards), cut paper in half-length wise, fold the two sheets in half to make the cards with front and back. Glue or use double sided tape to secure cards and you are ready to play.

To Play: Place cards with the pattern side up and have a student pick a card. Now the student looks at the card and plays the piece the way the card instructs. Use two or three cards a sessions to make reviewing music fun and exciting.
