

Hot Potato Game: Copy the potatoes below on heavy card stock (light brown or white and you can color). Glue to both sides of a standard sized (3 ¾ "by 6 3/8" or similar size) envelope with the flap removed. Put in slips with song names, or clues to a song etc. inside envelope. To Play: Tell the children that this is a hot potato so they need to pass it to next person as long as the music is playing. Explain that when the music stops whoever has the potato gets to pick a slip, and you sing the song, or if it's a clue, they guess which song it is. . When the music starts again, repeat the game until all the slips are chosen or you run out of time.
